

You Are Invited To Go Beyond the To-Do List!

Do you ever get to the end of the day and feel like you accomplished nothing?

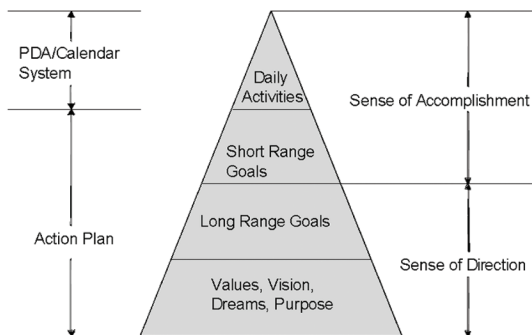

Do you wonder if all your daily activity is really getting you where you want to go?

Would you like more sense of direction and sense of accomplishment in your life?

If so, register today for the Real Time Management program. Presented by Broker Agent Magazine columnist Dave Smith, the Work/Life Coach.*

This program includes three weekly group workshops covering our Time Strategies process, goal setting, daily and life planning sheets, Action Plan workbook and audio CD of the entire program so you can review and practice at your convenience. **Remember, we all have a fixed amount of time.
